EDITORIAL

We're firmly settled into our new offices now, but whose bright idea was it to have a photographic studio on site? With models in and out all day stripping for *Club* and our other titles (Danielle was shot just next door to us), we're distracted all day long! All the girls wish you a merry Xmas, and we're looking to start 2013 with a special guest editor, even more unique shoots, and a continuation of the *Club* quality you expect. Let us know what you think! ♣

Dear Club,
I travel a lot with my job, and tend to take the same train routes at the same time. As a result, I also see the same faces and wile away the hours chatting to some of the business guys travelling with me. I'm in sales, and with it being a very male-dominated profession; I think I'm a pleasant novelty for them, so I'm never short of someone to chat to. Each week however, I had been desperate for one guy to come and sit with me, and whilst he always smiled and made it clear he had noticed me, he never did.

Eventually, I plucked up the courage on the way back to London from Newcastle and decided to go for it myself, as I knew he always made this journey. Following him onto the train, I smiled, made small talk and asked if he wanted some company. "Yeah, err, yeah," he quite nervously replied. Once we were sat down he still seemed a little shy, but was incredibly polite and asked me loads of questions about my job and listened attentively to the most boring details as I rambled at him. I was so pleased to be finally sat next to him that I was being a little over the top in a desperate attempt to impress him, and the middle aged suit opposite us buried his head in his paper to ignore me.

Finally, about halfway to London, I bravely leant in to him and said, "I sat next to you on purpose you know." "Really?" he replied, looking genuinely surprised, but then continued back in a whisper, "I'm sorry I've been a bit quiet, but if I'm being honest I fancy you a bit and I'm a little nervous." I felt a twinge of excitement in the pit of my stomach, and with a couple of gin and tonics inside me, placed my hand on his thigh, moved my breast against his arm and answered, "Well, the feeling's mutual."

I felt a bit corny as I did this, but as I moved my hand slightly I caught the side of the bulge that was emerging in his trousers. He turned and stared at me intently, his look burning into me. Without speaking, I got up out of my seat, flashed him a look as I walked off towards the next carriage, and by the automatic doors turned again to see if he knew what was going on. When he smiled, I slipped into the first vacant toilet.

The minute he took to get there seemed like an hour, and I was praying no one else would open the unlocked door. When he entered, I wasted no time in throwing my arms around him and kissing him passionately. He was a lot less nervous now and his hand immediately went up under my skirt, roughly pulling my knickers down to my knees. I was pushed up against the sink and could feel his finger working its way between my pussy lips, which were already, wet with anticipation.

Being inside the small toilet made everything more intense, and removing his dick from his boxers I tossed it off, holding him close so the tip was against my clit. I found a rhythm where I could work his dick up and down against me, as well as his foreskin back and forth. The movement of the train was only adding to the rhythm, my cunt sliding over two fingers as I wanked his meat harder and faster. With my free hand, I fumbled at the buttons on my blouse, pulled it apart and freed my right tit from my bra. He gratefully sucked at the nipple, making it glisten with his saliva.

I was now so turned on that I began to push his dick further down, motioning that I wanted it inside me. Hoisting me up on the frame of the sink, my tit hanging out from my bra like a total whore, he positioned his fat end between my sopping folds. With one steady thrust his length filled my twat and I wrapped my legs around his waist so as to bring him in even deeper. My bum was squashed and parted, and from the angle he was shagging me I could feel his balls bang against my arsehole.

I ran my hands over my chest, biting down on my lip and flashing him horny looks encouraging him to keep going hard into me. My tummy began to quiver uncontrollably and a warm feeling spread throughout my pelvis.

A FISHY DISH!

Dear Club,
Are you kidding me? Sophia Knight was a fish filleter in my hometown? I can't believe it. It just goes to show you can find beautiful women anywhere – I just wish I'd been lucky enough to have a job wherever she worked. And you can tell her from me, not only is she my favourite glamour model, but there's a job at my building firm here for her in Aberdeen if it ever goes tits up. Or tits in!
Pete, Aberdeen

Yep, Sophia has come a long way from sorting kippers. In fact, she's come a long way since her earliest shoots and is a really top model now. We're hoping to have lots more of her in Club soon, with stacks more British girls to boot.

HEY GIRLFRIEND!

Dear Club,
Your reader's girlfriends shoots are getting more professional by the month, and sometimes I even know the girls. I smell a rat – are these all real models or what?
George, London

It's a bit more complicated than that, George, but here's how it is. We don't get as many entrants as we used to, since someone invented the bloody internet. But we still get enough, only we now hook the wannabe models up with decent snappers to do them justice. It's just that sometimes the girls will contact a bunch of mags and websites and occasionally we're beaten to the punch. So we're going to make it an occasional feature from now on, and only resurrect it when we've got someone worth sharing and who's brand spanking new!

I came heavily, drenching his prick in my warm juices, groaning my approval with no regard to where we were. I could see perspiration appear in his shirt and his breath got shorter, showing me that he was about to empty his balls.

I realised I couldn't let the spunk cover my clothes, so pulled him out of me hastily, pushed him back and dropped to my knees in front of him, still holding his pulsing cock. Placing it in my mouth, I gave it two strokes back and forth and then squeezed at the base, feeling his jizz stream into my mouth. I closed my mouth around it, and let him pump his whole load down my throat, licking the final squeezes of spunk from under his foreskin, as he gripped onto the window bars to keep his balance. The look he gave me when I did this was priceless.

Returning to our seats for the rest of the journey was incredibly embarrassing, and our conversation came to a stop. We both opened our laptops and worked the rest of the way, our faces burning with shame and contentment. The only thing he uttered to me as we were disembarking was, "Will I see you next time?" My mischievous grin said it all.

Home free...

This might well be the last photo shoot that Jenny Laird did before she was incarcerated – we haven't carbon dated it yet. But what we do know is that she's just about to have her ankle tag removed, and we're going to be shooting some brand new content of Jenny in the next few weeks. Hell, we might even get her to sign some magazines for a lucky reader to win.

"I can't wait to be back in *Club*," she says, "and I hope you guys realise just how much I've been missing cock while I was inside. I'm going to be making up for lost time, believe me!" ♣

Club's ROUGH GUIDE to 2012

It's been a brilliant year for British sport. We haven't got room to mention every highlight in this review of 2012, and it's probably just as well – Matt Loxham's addled mind simply wouldn't be capable of remembering them all...

Le Tour De France

The first half of this year was choc-a-bloc with Olympic warm-up events, mostly tepid affairs featuring athletes keeping their powder dry for the Games proper. One sport, however, did things slightly differently.

Le Tour is and always has been the ultimate prize for any road-cyclist worth his salt, and even though the 2012 running climaxed just a couple of weeks before many of the high-profile riders were back in the saddle for the big Olympic races, everyone was giving their all and then some.

Amongst the pre-race favourites were reigning champ Cadel Evans and the talented Italian Vincenzo Nibali. Also fancied was our very own Bradley Wiggins, which was an achievement in itself considering that a Brit had never won Le Tour in its 109 year history.

Of course, most of us know what happened next. Wiggins, along with his loyal and hard-working fellow Team Sky riders (including Mark Cavendish and Chris Froome, who came third overall) pretty much controlled the race from the prologue in Liege to the finish on the Champs Elysees in Paris, and 'Wiggo' was delivered in first place exactly as planned. Britain celebrated. Cycling became about 36 times more popular. The French were annoyed. Then Wiggo went and took the Olympics by storm, too...

The Olympic and Paralympic Games

Whether London 2012 will ever be matched in the British sporting glory stakes is anyone's guess. Not only did athletes such as Mo Farah, Jess Ennis, Chris Hoy, David Weir, Sarah Storey and Ellie Simmonds provide the nation with some genuinely memorable performances across four weeks of competition, but Blighty also managed to put on a massive global spectacle without making a massive balls-up of anything.

The Olympics and Paralympics marked a time when a nation very briefly came together to polite chants of 'Team GB'. Claire Balding spoke of a new world where strangers conversed on busy tube trains and people pretended to be interested in handball – it was a friendly place where she could finally break free of that 'horsey lesbian' tag.

For me, the real joy of the Games wasn't so much the big wins by the likes of Farah and Weir, brilliant though they were. In my opinion the achievements that summed up the essence of the Olympic and Paralympic ideal were those in more low-profile events, for example Gemma Gibbons' sensational silver in the judo competition and Danielle Brown's thrilling gold in the archery.

I also enjoyed looking at the women's arses in the volleyball.

The Ryder Cup

Autumn arrived with a question: How the fuck could golf get in on the 2012 Tour De Olympic gravy train? Golf – a selfish sport for intense men in crisp slacks more likely to induce a national coma than inspire any kind of collective celebration.

Well, with the Ryder Cup, that's how, a biennial dust-up between Team Europe and Team US of A where traditional golfing banality is replaced with lots of cheering,

fist-pumping and grappling in the rough.

Ryder Cups are nearly always very exciting, but this one was an absolute thriller. After taking a bit of a hammering over the first two days of competition, Europe went into the head-to-heads needing a miracle. At 10-6 down, Jose-Maria Olazabal's men had to win eight of the twelve matches to retain the trophy. It would be the biggest comeback in the history of the event and guess what? They only went and bloody did it!

Great stuff, but why am I mentioning this in an article celebrating home achievements? Okay, because out of the twelve man European team, seven were British. Most notably, Ian Poulter won all four of his games, and Luke Donald and Justin Rose made the second best contribution with three points apiece. A German, Martin Kaymer, hit the winning putt, but even he had a British caddie. Enough said.

The U.S. Open Tennis

Now I appreciate that Andy Murray isn't everyone's cup of haggis. Some people call him British, others call him Scottish and many call him a moody jock twat. Indeed, over the years he's often come across as so comically dour that even Scottish people have accused him of making them look miserable.

However, after his heartfelt speech on centre court after losing to Roger Federer in the Wimbledon final and his heroics at the Olympics, people started to see Murray in a very different light. And when he narrowly defeated Serbia's Novak Djokovic to win the U.S. Open, all the on-court tetchiness and monotone post-match interviews were well and truly forgotten. Now there's even talk of Murray pipping Bradley Wiggins to win BBC Sports Personality of the Year.

That he's even being credited as having enough personality to be eligible for voting is a huge step forward – almost as huge as the one he took when finally winning that elusive first Grand Slam. Britain is proud.

"Now there's even talk of Andy Murray pipping Bradley Wiggins to win BBC Sports Personality of the Year..."

Ascot Champions' Stakes

If you spoke to a turf accountant or someone like Willie Carson, they'd probably tell you that the biggest British sporting hero of 2012 isn't even human, and they might just have a point.

On 20th October a horse called Frankel cemented his place in racing history when he won the Champions Stakes at Ascot, making it fourteen victories out of fourteen across a glittering three year career.

Trainer Henry Cecil refers to Frankel as, 'The best I've ever seen'. Jockey Tom Queally describes him as, 'A class apart from any other horse around'. You get the message.

So after earning millions for his connections with his track exploits, what does Frankel get for all his efforts? By all accounts he'll get to live happily ever after in a field in Suffolk shagging one lady horse after another in a bid to infiltrate the world of racing with his (hopefully) talented offspring.

Whether he'll manage to spunk one out in his own image is a long shot at best, but one thing is certain – even though Frankel has retired his actions will continue to have an impact on the sport of kings for many, many years to come. Horse personality of the year at a canter... ♣

Kink, pink and shooting your load before you can blink...

RATINGS: ★ TOPIC ★★ MARS BAR ★★★ CRUNCHIE ★★★★ DOUBLE DECKER ★★★★★ NUTRAGEOUS

God Save the Kink
(Harmony)

Harmony storm back into form with this piece of high-class hardcore kink. Masks, toys, dungeons, facial dildos – you know the drill, but done well there's little to top it in homegrown porn. Rebecca More and Paige Turnah's threeway is one of the highlights here, Rebecca takes it up the bum while Paige is just on hand to show her mighty arse off. Cathy Heaven gets an almighty interracial anal pounding, Angell Summers puts in some stellar work and Rio Lee's double dicking keeps things ticking off at a fearsome pace. Come armed with tissues. ★★★★

Big Titted Housewives Vol. 3
(Pumpkin)

It's all-natural top cuntage to the fore as Pumpkin deliver another of their transparently-titled compilations of Euro grumble. Dominno has cropped up in these pages a couple of times, and it's good to see her in action, her tits dancing hypnotically as she gets stoked downstairs. Janette is a little heavier but still worth a shake and Sharon Pink, your archetypal stacked blonde porn star, knows how to extract jizz from balls. Dominno gets another scene, which is fine, but with only 4 scenes and one of the girls repeated, this isn't Pumpkin's most value-for-money release.
★★★

Poolhall Sex Junkies
(Private)

Make as many porn movies as Private have over the years and you can theme a compilation around pretty much anything. We can also confirm, from first hand experience, that porn photographers and directors have invariably got a pool table in their house and can't resist shooting girls on it. Here we get a clutch of girls allowing us to cue up the obligatory snooked/pool jokes. Pink, brown and so on, they practically write themselves. What else? Ah, the girls. Well, Sophia Evans, Rebeca Linares, Sarah Twain, Nikita Denise and more. Rack 'em up. ★★★

Starfish and stripes...

Annelli has just returned from a holiday in New York and New England (luckily she missed Superstorm Sandy), all enthused with the place.

"I'm desperate to move there," she gushes. "The people, the places, the food, the scale of it all. It makes home seem quaint."

But what about the noise, the weather, the Tea Party Republicans, the lack of easy access to English men?

"Well, I could become a citizen and vote Democrat, the weather is fine, and there are plenty of Brits there. But I want to try out some American cock first!" ♣

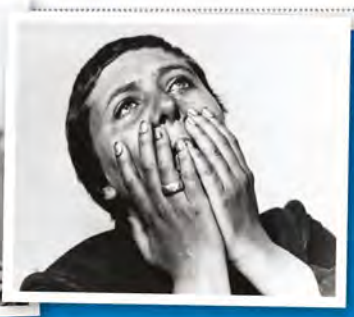
OFF YOUR HEDONIST

Your alternatives to the alternative Queen's speech...

RATINGS: ★ JOAN ARMATRADING ★★ JOAN RIVERS ★★★ JOAN COLLINS ★★★★ JOAN SIMS ★★★★★ JOAN OF ARC



The Passion of Joan Of Arc

(Eureka!, Blu-ray £20.42)

Okay, so this might not be at the top of your xmas viewing list – it's somewhere below *The Sound of Music*, *The Wizard of Oz* and the *Doctor Who* Christmas Special in the festive laughs stakes, granted. Yet Carl Theodor Dreyer's 1928 masterpiece is the kind of movie that a week or so off work gives you the time to appreciate.

Wrapped around Renée Marie Falconetti's timeless performance as Joan of Arc is an austere but beautiful film that follows the final days of Joan, from her heresy trial and inprisonment through to her eventual execution. It's a serious film, the silence (the occasional intertitle the only text here) enveloping you in the trials and tribulations, Falconetti's every glance weighted with pain and suffering. It's rightly hailed as a masterpiece of cinema, and Eureka's Masters of Cinema series does it full justice with a 1080p transfer and both the director's cut and the earlier 'La Duca' cut. There are a couple of optional scores if you find all that silence unnerving, and an exemplary booklet. It should replace *The Vicar of Dibley* repeats at the top of your xmas schedule.

★★★★★

Gate Of Hell

(Eureka Masters of Cinema, DVD £17.36, Dual Format £20.42)

Somewhat of a forgotten masterpiece, Japanese director Tainasuka Kinugasa's 1953 gem is a brilliant introduction to the hidden depths of Eastern cinema. While the story – feudal unrest, Samurais, honour, empress, loyalty, blah blah – is made up of the typical building blocks that so many Japanese films are made of, it's Kinugasa's handling of these raw materials that impresses. It impressed at The Oscard, winning two Academy Awards, in addition to the Grand Prix at Cannes. This 1080p restoration allows you to discover it anew, with the bold colours popping off of the screen, the repressed eroticism leeching into the reds. See why Martin Scorsese ranks it so highly.

★★★★

Se7en
(Warner Home Video, Blu-ray £22.00)

There are few films better suited to Blu-ray, the curtains closed, the lights off, than *Se7en*. David Fincher's icky, sepulchral tones glisten afresh as cops Brad Pitt and soon to retire Morgan Freeman chase a killer whose M.O. is the seven deadly sins. The leads, plus Gwyneth Paltrow and Kevin Spacey, all turn in career bests, and the copious extras include 4 different commentaries on this contemporary classic. ★★★★★

Trouble In Paradise
(Eureka Masters of Cinema, DVD £17.36)

Ernst Lubitsch is perhaps best known for the Jimmy Stewart classic *The Shop Around The Corner*, but this 1932 comedy perhaps had more impact on Hollywood – the first comedy after the coming of sound. Herbert Marshall and Miriam Hopkins excel in this tale of passion, business and pleasure gone awry. ★★★★

My Neighbour Totoro
(Studiocanal, Blu-ray £17.99)

You may be more familiar with Hayao Miyazaki's worldwide hit *Spirited Away*, but connoisseurs of Studio Ghibli will tell you this is his masterpiece. Two young girls, traumatised by relocating while their mother recovers from a serious illness, find a friend in a gentle forest spirit. Totoro himself is a marvellous creation, as is Catbus, and whether in the original or dub, this is one of the best films ever. ★★★★★

Classic Corner

Blade Runner
(Warner Home Video, Blu-ray £22.00)

Ridley Scott's adaptation of Philip K. Dick's dystopic novel is an established sci-fi classic, but it has been presented in so many alternate cuts it's confusing. This, then, is the Final Cut, and while it doesn't pack the extras of the forthcoming 30th anniversary edition, it's cheaper and, also, it's just the damn film presented in 1080p Blu-ray. Lovely.

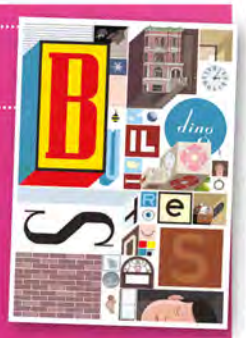
Building Stories
Chris Ware (Jonathan Cape, £30.00)



Presented in a beautiful box are 14 books, papers and pamphlets, to be read in any order you please. All of them are painstakingly illustrated in Chris Ware's distinctive style, and all of them tell tales of an apartment block in Chicago and the disparate, lonely lives within it. If you're new to Chris Ware, this might not be the best place to start – begin with the wonderful *Jimmy Corrigan* – but it's a must for fans.

Sweet Tooth
Ian McEwan (Jonathan Cape £18.99)

Now on his twelfth novel, Ian McEwan has moved further and further away from the jolting bursts of the macabre that were his early short stories. Set in the seventies, this tells of an MI5 program that secretly funds writers who write against communism, and Serena Frome's professional and personal relationship with one such writer. It's a spy novel about literature itself, playful, but still minor McEwan overall.

Zeitoun
Dave Eggers (Penguin £8.99)

Novelist Eggers dips his toe into non-fiction with *Zeitoun*, and in the process writes one of the best, angriest books about Hurricane Katrina and its impact on the people of New Orleans. Abdulrahman Zeitoun is an innocent citizen arrested for looting his own property, and thrown into a post 9-11 nightmare of paranoia about American Muslims. Eggers lets the facts speak for themselves in this tour de force.

Machine Head: Inside...
Joel McIver (Omnibus Press £14.95)

...and after all these silent classics, conceptual boxsets, edgy works of modern fiction and such, how about a heavy metal story? Machine Head's rise, fall and Lazarene rise a second time is the topic of McIver's hagiography. Interviews, anecdotes, long hair, tattoos, groupies, drugs, booze, split-ups, reunions, more long hair. It's heavy metal, innit? ♣

Fantastic Ms. Coxxx...

British bang babe Megan Coxxx has come a long way since she first appeared in these pages as Reader's Girlfriend Riva...

"I was so new to it all then," she laughs. "But being in *Club* led to lots of modelling work, that led to me doing my first porno, and now I'm a full-time porn star!"

And how is that?

"Well, the industry is struggling with so much piracy on the internet, but for me I still get to go to work and have a big dick put inside me nearly every day. And if it's not that, there's a sweet pussy to lick. How bad can it be?" ♣

Pure Sensia 200D Connect

www.pure.com

It's a strange fact of technology that companies that manufacture iPod docks and music streamers are attracted to rugby ball shapes. Are they all public schoolboys? The original Sensia was a decent piece of kit, but the touchscreen wasn't up to scratch, and after a couple of years of being spoilt by Apple and Samsung, we now demand some *Minority Report* level of finger interaction. In that regard, the 200D is a great step forward, plus it sounds excellent, streams well from Android and iOS and of course is hooked up with Facebook. Not that it'll help Facebook shares any...

Pros: Touchscreen excellent, good features, nice sound.

Cons: Better speakers available at £250.

£279

Panasonic P50GT50

www.panasonic.co.uk

It used to be the case that Plasma TV's were the thing for 42" and above, LCD's for below. That doesn't seem to hold true any more, and Plasma's already seem a little bit a thing of the past. Well, Panasonic have always been great in this area, and this TV is a riposte to those looking beyond Plasma. Despite the 50", it's a sleek, attractive and stylish thing, and it delivers on what it will be bought for – picture. Deep blacks, impressive response, 3D capability. Put this in a big enough room, feed it some Blu-rays and enjoy.

Pros: Picture, wireless and Bluetooth capability, iPlayer, improved Viera Connect.

Cons: It's not cheap and it's not small.

£1500

BenQ G1

www.benq.com

BenQ, generally known for budget cameras, claim that this is the world's slimmest camera to have a flip-out screen. Well, whoop-de-doo. Although, actually, on a camera this small it is actually quite cool and camcorderish. The trade-off is a camera with only a 4.6x optical zoom, but that's allowable when you have a screen that flips into the camera for self-protection, and flips away and forward, so that you can see what you're doing with self-portraits. It's a nice innovation, and with other features like the customisable 'Q' button, this is a step up in class for BenQ.

Pros: The screen, full HD, good stills.

Cons: The zoom is too noisy to use during filming. ♣

Dressed to impress...

Veronica (who, whisper it, really reminds us of all-time *Club* fave Terri Summers, but is obviously lush in her own right) has got her seduction game sorted, by the look of it.

"You know, I'm really old-fashioned in that respect," she tells us. "I love the idea of getting dressed up to seduce, of spending hours getting ready, of making my man happy in the bedroom. And I need to, because I can't cook at all!"

We think we could forgive you for that if we came home to you dressed like this.

"Thanks. I've got a whole dressing room full of basques, stockings, suspenders and high heels. I feel so much better and sexier in these than just sitting naking in bed waiting for a man to come home and fuck me."

Yeah? We could cope with either to be honest... ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ALL ABOUT EVIE!

I have a strange fetish, for a woman – I absolutely love watching my husband getting sucked off by other girls! Now you may think that this would be the last thing that a wife would want, to see her man getting blowjobs from anybody other than her – you'd think that it would make me jealous. But for some reason I find it an incredible turn on to watch him being sucked by another girl. Maybe it's because I get to watch his face – that look of anticipation as she first gets his cock out and starts to lick at the super-sensitive underside at the tip of it, then the near-rapture when her lips first open and he feels the warm embrace of her mouth around the head of his dick.

Or maybe I like watching her – the concentration as she works her magic, her head bobbing up and down rhythmically on his shaft, then the slight widening of the eyes as his first spurt hits the back of her throat, followed by the careful sequence of swallows as she deals with what he has given her. My husband, John, is always very generous in that regard, and sometimes the less-experienced girls can't quite manage it all, so have to let some dribble out from their lips and down their chin, which I find very sexy to watch. Then there are the dirty girls, who when they sense that he's about to shoot his load pull him out of their mouths and point him at their faces, let him coat their cheeks with his juice, and then innocently look over to me with my husband's cum running down their face – I find watching that even hornier.

> "Soon Evie was asking me how big John's cock was and even if he liked to fuck me in the arse"

Anyway, for whatever reason I just get really turned on watching my husband getting sucked off, so much so whilst I'm watching I've always got my hand inside my panties stroking my clit, and after the girl has finished I always have to go to her and get her off with my fingers and tongue to say thankyou. Of course, watching me make another girl cum always gets John hard again even after he's had a blowjob, and as by now I'm the only one who hasn't had an orgasm we end up with him fucking me from behind whilst I bury my head between the girls legs and give her a final licking. There's nothing quite to match the feeling of a hard cock shafting me at one end, and my tongue probing deep in to a juicy pussy at the other, and with John already having cum once he usually lasts long enough to give me two or even three orgasms this

way, especially when he slips a finger in to my bum alongside his cock in my puss.

So it's a bit of a strange fetish, but it works for us, and of course John ain't complaining! Because I'm very much Bi myself, I don't have much trouble finding girls for us to play with – most of my girlfriends are Bi too, so are happy to suck John's cock if they know that they'll have me to get them off afterwards. So we usually manage this about once a month, and I thought that I'd share with your readers last month's session, because even by my standards it was a pretty damn horny one.

The girl was Evie, and she and I had made love alone a couple of times previously, after I'd met her at a gay club. I wasn't too sure if she was Bi like me, or actually more Lesbian. She was very pretty-girly in the way that she made-up and dressed – bright red lipstick with lots of blusher and dark eyes, and always in a dress or skirt, never trousers. Invariably there was pretty lingerie underneath, like a matching lacy bra and thong set in a flowery-pattern, combined with hold-ups and heels.

After the second time we'd made love back at her flat, I was lying in the bed beside her gently stroking her boobs in a post-orgasmic glow, when I told her that I was married. I was scared how she might react to this, especially if she really was gay, but I needn't have worried. She just smiled and told me that she'd guessed as much, and then started to ask me about John. Her questions started off innocently enough – how tall was he, what was the colour of his hair and so on – but soon she was asking me how big his cock was, whether he made me cum, and even if he liked to fuck me in the arse.

As I answered, I could feel Evie's nipples hardening to my touch, and a flush starting to form over her cheeks and neck. Sure enough, when I let my hand trail down her tummy to between her legs, she was hot and wet again, even though I'd only made her cum about ten minutes earlier. I started to gently massage her clit with the pads of two fingers as I continued to describe to her all the things that John liked to do to me, like fucking my arse twice in quick succession, so that the second time he could watch his spunk from the first time being worked into a froth at my bumhole. It didn't take much of this before I could sense that Evie was almost there herself again, so I leant forwards and locked my lips to hers in a passionate kiss as I increased the speed of my rubbing at her clit, not even releasing her from our snog when she arched her back as she climaxed.

It seemed pretty clear to me after this that Evie would be up for one of our sessions, and the thought of watching this pretty girly with my husband's cock in her mouth had me on the edge of cumming just thinking about it. So the next time I went out with Evie, I warned John to be ready for us, and at the end of the evening told the taxi to take Evie and I back to my place, not hers. When she heard this, Evie said nothing, just smiled.

Back at home I introduced her to John, who when he saw Evie in her girly make-up and wearing a pretty little A-line frock looked like the cat who'd got the cream – he loves girls who look like girls, and always likes me to be made-up and in a dress. "I've heard so much about you," Evie said to him, and when John replied with the standard, "Nothing too bad I hope," Evie shocked us both by saying, "Well, I hear that you've got a big cock, and that you like having it sucked." John looked like he might explode, and I thought that I'd better

> **"The second time he could watch his spunk from the first time being worked into a froth at my bumhole"**

help him out, so I walked up to Evie and put my arm around her waist, saying, "That's right. I don't suppose that you'd like to give John a little sucking, would you?" Evie just smiled back at me, said, "I thought that you'd never ask," then gave me a long kiss on the lips before stepping forwards and kneeling in front of John. She undid his trousers with what seemed like well-practised ease, and pushed them and his pants down to his knees in a singe action. Having just watched us snogging, John was already well on the way to full hardness, so as I retired to the armchair to sit and enjoy the best view, Evie was already flicking her tongue around the tip of his cock and teasing it the rest of the way up.

My hand was down my panties before I was even thinking about it, and I could feel my clit already swelling and peeking out from its little hood down there, crying out for some attention. I duly obliged with my fingers, as I watched Evie open her lips wide and take John's now fully erect cock into her mouth for the first time. His face was a picture as she closed her lips around him and began to caress the head of his dick in her mouth with her tongue, one hand reaching up to cup his heavy balls and start to gently stroke behind them with her finger-tips. This girl is good, I thought, and sure enough her hand was soon

> **"All girls like to have their arseholes played with a little bit – it is so sensitive for us there"**

reaching backwards to tickle at John's arse, something that few men can resist whilst having their cocks sucked.

Meanwhile my own fingers were busy between my legs too. Excited by the sexy sight in front of me, my clit was now fully exposed from its hood, and I was gently yet firmly massaging it in small circular motions with my fingers inside my panties, my skirt bunched-up over my waist. Knowing Evie's penchant for fine lingerie, I'd put on one of my best sets that evening, which I was now starting to regret as juices leaked copiously from my cunt and soaked through the thin silky material in minutes. Never one to miss an opportunity, I shifted my position to be slightly on one side, then reached round with my spare hand and slipped it under the little thong at the back. I pushed two fingers into my pussy from behind to get them fully wet, and then withdrew them and using my pussy-juice as lube started to probe at my arsehole. One finger slipped up my bum almost immediately, with the second following soon after, as soon as my arse had relaxed enough to let it in.

John's arse was also getting some attention, as Evie continued to tickle away at it whilst sucking with increasing vigour on his dick. Even as I felt my own orgasm approaching, I could sense that John wouldn't be able to take too much of that, and sure enough I heard him call out, "I'm gonna cum, I'm gonna cum!" This should have been the cue for Evie to prepare herself for a mouthful, but she had other ideas, and just pulled her head back so that John's cock slipped from her lips, then directed it straight at her face as the first spurt erupted from it and splashed on to her cheek. At least five further spurts followed, which Evie directed by slight movements of the cock in her hand to ensure that her entire face got at least a dribble of cum on it, leaning forward so that even that last couple of weaker spurts caught her on the chin.

I watched all of this through the white heat of my own orgasm, the sight of John spunking on my girlfriend's face finally tipping me over the edge so that my arse clenched around my two fingers wedged up it, and the fingers of my other hand quickly pulled away from my now super-sensitive clit and pushed into my cunt – two or three or maybe even four fingers slipping inside as my pussy opened-up in the flush of my orgasm.

I came-round to see John slumping forwards, his hand on a chair to support himself, whilst Evie continued to kneel in front of him cupping his balls but watching me. John's spunk was still running down her face, little trails of it starting to form drips from her chin. She was smiling broadly, as she got up from her knees and walked over to where I lay on the sofa. She bent down and kissed me fully on the lips. Kissing another girl is a sexy feeling at the best of times, but doing it when your husband's spunk is running down her face into your mouths as you snog is something else again, and even though I'd only just cum I started to feel pretty horny again, all the more so when Evie reached her hand down between my legs and gave my puss a gentle little squeeze. But again Evie had ideas of her own. "My turn," she purred, and knelt on the sofa beside me, bent forward over the arm of it. She reached behind and pulled up the hem of her dress over her back, revealing another surprise – no panties.

"Lick me," she instructed, and given what she'd just done for us I was happy to oblige. I wiggled myself behind her, and holding one of her perfect butt-cheeks in each hand began to probe at her exposed pussy with my tongue from behind. Evie reached back between her legs and began flicking at her clit with her fingers. As I came up for air with the taste of pussy ripe in my mouth, my hands gently parted her cheeks to reveal her little button of an anus between. I simply could not resist, and dipped my head forwards again to trace a circle around it with my tongue, before starting to quickly lap at it like a cat drinking milk. All girls like to have their arseholes played with a bit – it is so sensitive for us there – but for Evie it was obviously a particular pleasure-point. Either that or she was just plain horny, but in any case I'm only been rimming her for a

couple of minutes when her hand between her legs started to rub at her clit vigorously at great speed, and she suddenly called out and pushed back in to my face, clearly out of control in he middle of a monster-orgasm.

I glanced over to John, and was not altogether surprised that the sight of his wife getting another girl off by tonguing her arsehole had got him fully erect again. I couldn't let a hard-on like that go to waste, and as Evie had just shown herself to be so anally sensitive I knew just what to do with it. I beckoned John over, pointing to him to pick up the bottle of lube that we keep in a cupboard in the lounge for when we want to play in there. I took the lube from him and squirted a generous amount on to Evie's arsehole, then started to work it in with my fingers. Evie seemed no stranger to anal play, as she pushed back against my hand and allowed one of my fingers to enter her behind. I was preparing to add a second, but Evie beat me to it, reaching behind her to wiggle one of her own fingers into her arse.

The sight of Evie with two fingers in her arse, one of them mine and one of them her own, had John's cock bulging. So grabbing it with my free hand I led him up to Evie's behind, careful not to wank him as I did so for fear of making him cum. I positioned the tip of his member at Evie's bum hole where our fingers were embedded, then slipped mine out and pulled Evie's free. Her arse gaped open for a second as our fingers withdrew, and John wasted no time in plugging the hole with the head of his cock. Because Evie was already relaxed, John slid in with ease, and with one movement the full length of his shaft disappeared up Evie's behind.

There's only one thing that turns me on as much as watching my husband getting sucked off by another girl, and that's watching him fuck another girl up the arse. Just like watching him being sucked, it's the combination of being able to watch the expressions on his and the girl's faces as his cock stretches her anus that gets me – the look of intense concentration on his as he strains not to cum too quickly, whilst on hers a look of almost amazement that something could feel so incredible as having a cock in her arse, especially if it is her first time. I never know whether to concentrate on his face or her face or just watch the glorious sight of my husband's cock sliding in and out of another girl's bum, but I nearly always end up facing her so that I can kiss her and hold her at the moment that she feels the hot spurt of John's cum inside her.

Which is what I did now with Evie, moving round in front of her to encircle her in my arms and kiss her firmly on the lips, hearing John gasp as he ejaculated inside her and Evie whimper into my mouth as her bum was filled with his hot juice. I held her and kissed her for a few moments longer, before returning to my previous position to watch John's cock slip from her arse as his erection subsided, a large trickle of spunk following behind it and dripping slowly from Evie's still gaping anus. What an incredibly sexy sight!

> **"Her arse gaped open for a second and John wasted no time in plugging the hole with the head of his cock"**

The three of us slumped on the sofa to recover, Evie and I continuing to kiss and fondle each other in front of John, not quite able to produce another erection so soon, but enjoying the show. Only when Evie manoeuvred me on to my tummy across her lap and started to finger my arse did I see his cock stir, and I knew by then just what he was thinking of doing with it...

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Singer, model, Hollywood actress, Justin Timberlake's wife: Jessica Biel isn't someone who has to flash the flesh in a film to get known. She's minted. She's even in the rubbish new *Total Recall* remake. But she's also high up on the 'dead fit' scale, and doesn't mind letting us see the goods. So many Hollywood films about strippers actually avoid any real stripping, but *Powder Blue* (2009) sees Biel working that pole and taking the role seriously. In other words: skin. And when she keeps something on, it's usually not much, as her film-stealing scenes in 2007's *I Now Pronounce You Chuck and Larry* attest. You can keep Pete, Ian and Lou – Jessica is our favourite Biel. ♣

MATURE SMOO-DENT!

Going back to college in my mid twenties, I initially felt a little out of place – especially as I was based in halls with a lot of eighteen and nineteen year olds. I soon settled in, however, when I caught sight of some of the girls on the next corridor to me. I was sure they thought I was some nerdy quiet guy though, as I wasn't rolling in hammered every night like the younger guys down my corridor. Nonetheless, two girls who were friends from their hometown always used to make a point of chatting to me, and were constantly asking me questions about what I got up to, because they never saw me in the Union. I never gave them much information, as they were both fit and I wanted the conversations to continue.

A few weeks into term I heard a knock at my door around eight o'clock in the evening. It was the two girls and they virtually barged into my room, giggling with each other and flopping on to my bed. "Where are you off to tonight then?" asked Maria immediately. She was the voice of the duo, and had a fantastic pair of tits that she always had on display. Tonight was no exception and seeing them in my room was too good an opportunity to miss. "Nowhere important, I was just waiting to see what happens," I replied cryptically.

They were both a little tipsy already, and they were sitting very close either side of me on my bed. Maria ignored my reply and stated, "We reckon that you always have women back here and that's why we never see you out." I didn't know what to say, and my dick was beginning to stiffen because of Maria's breasts brushing against my arm. "We're gonna wait here and find out, aren't we Farrah?" she continued, and both of them moved in closer so I was sandwiched between them. Maria's mouth was now unstoppable, "Farrah fancies you, you know?" she exclaimed as Farrah winced slightly. "You obviously like her as well," she added and patted between my legs, my hard-on clearly visible.

Incredibly embarrassed, I thought my only option was to act confidently. "I think both of you are gorgeous, actually," I said. Maria's hand was still in my lap, and I could see in her face that she was flattered. She began to move her hand slightly against my dick, and I looked at Farrah who was staring right back at me with a look of anticipation in her eye. I just went for it. As soon as I leaned in to kiss her, she did the same and she wrapped one hand around the back of my head and kissed me passionately. Maria, meanwhile, was still rubbing my dick through my trousers, but Farrah's other hand reached down to undo my flies. When my cock was free I could feel one hand on my shaft and one on my balls.

Maria wasted no time, and worked up a quick aggressive rhythm as I groped at her friend's tits, which were bigger than I'd realised. Farrah then pushed my head towards Maria, and she took over kissing me, still with my dick tightly held in her fist. I was aware that Farrah was undressing to the side of me, but I was absorbed in kissing and sucking Maria's amazing chest, which I had freed from her top. Her nipples were rigid and I bit them gently, each time causing her to wank my prick faster.

Soon, Farrah was in front of me, naked from the waist down and was preparing to mount my dick. Maria steered my meat between her beautifully tight pussy lips, and Farrah let out a little whimper as my end popped inside her. She looked amazing, and taking fistfuls of her peachy arse I began to pump my shaft into her cunt.

Maria was getting totally naked, and she stood either side of my hips on the bed so her arse was virtually in Farrah's face and her pussy in mine. I began to lap at her clit, and soon realised that Farrah was doing the same to her arsehole. I was literally covered in young flesh and was now craning my neck to suck at Maria's snatch, almost meeting Farrah's face as it took long strokes of the arsehole that she was spreading with her hands. Maria's hands were pressed against the wall, and she was fucking my face wildly as Farrah rode my cock and began spanking Maria's butt harder and harder.

Farrah was the first to cum and she leant back, gripping my knees as she drenched my pole with her juice and screamed so loudly that the whole corridor must have heard. Maria was

“She was fucking my face wildly as Farrah rode

next, and tasting her on my tongue as her thighs shook around my face was enough to bring me to my own climax. “I’m cumming,” I announced, just in time for Farrah to slip from me and for my jizz to shoot up against her stomach. Maria was down there instantly, taking my last few jets of spunk into her throat, before licking the rest from my pulsing bell-end and Farrah’s stomach. It was the horniest thing I’d ever seen, let alone been a part of!

After we’d all recovered, we stayed in my room for the rest of the night, drinking and chatting. That’s when they told me about their boyfriends who were coming to visit them that weekend!

Gil, Hartlepool

BEST OF BOTH WORLDS!

Jackie has been my closest female friend for as long as I can remember and we’re more in tune with each other than most couples. For the past couple of years we have frequently slept in the same bed when my husband is away on conferences, after she has been round for a girlie night in. In the past we would kiss and cuddle before sleeping, as we both love the feel of a woman’s body, and we know how to make each other feel good. I don’t think it makes us bi-sexual, as I wouldn’t be able to do it with anybody else, and it doesn’t feel like I’m cheating on Stuart. In fact, I’m sure he knows that we get up to something, and it quite excites him!

Recently, however, Stuart was away for a whole month, and as Jackie is single she came to stay with me for the whole time. As you can imagine, as the nights progressed the kissing moved down to our tits and eventually we spent hours on end lapping at each other’s pussy. It was amazing going to

sleep every night after an amazing orgasm, and the taste of Jackie's sweet cunt on my lips. Nonetheless, I still missed having a thick shaft filling my hole, although Jackie's fingers were a pretty good replacement. Jackie knew this, however, and came back with a bit of a surprise for me on the second Saturday.

I had spent the whole day slobbing out and pampering myself, and when Jackie returned she asked me to give her a few minutes alone in the bedroom. I wondered what she was up to, but was still surprised when she finally appeared. Wearing one of Stuart's suits with her hair pinned up in a neat bun, she strode towards where I was sitting on the sofa, then leant down and kissed me roughly on the lips. I could feel my nipples harden against my towelling dressing gown, and I half-giggled as she groped inside for my tits.

Her manner seemed intentionally masculine, and as she sat astride me, sucking at my chest, I could feel something

"She took her tongue from my soaking twat, stood up and thrust the prick into my well-lubricated hole"

rigid inside the trousers she was wearing. "What's that?" I inquired saucily. To which she responded, "Why don't you find out?" Unzipping the flies as she lent back, and unhooking the catch, I could see a leather strip around her waist, and as I yanked her panties down the rubbery shaft of a strap-on sprung up. I'd obviously been so mesmerised by the whole look that I hadn't noticed the bulge. "I know you can't wait for another two weeks to be fucked, so I thought why should you have to?" I grinned at Jackie, and then reached forward instinctively and started unbuttoning the suit jacket and shirt.

As her tits fell out of Stuart's suit it looked horny as hell and she continued to stare at me in a commanding way. Jackie clambered off me and asked me to get up and turn around. In doing this, I dropped my dressing gown to the floor and was trembling with anticipation. I could see Jackie gripping her fake cock just like Stuart would, and I bent over kneeling forward on the sofa with my hands holding on to the back of it. Expecting my hole to be filled instantly, I was reminded of her femininity as she got on her knees, and ran her tongue along my pussy lips. I opened my legs wider and the tip of her tongue entered me, and then the familiar tonguing of my clit began. She was so good, so tender and intuitive; however, this time I knew I wasn't going to cum into her face like previous nights.

She suddenly took her tongue from my soaking twat, stood up and thrust the prick into my well-lubricated hole. She took me by the hips and started pumping my cunt for all she was worth, with my pussy literally dripping from her saliva. She began to use her wet thumb to toy with my arsehole as she took the full length of the dildo out and drove it back in. I was completely at her mercy, as she wrapped her arms around and halted my swinging breasts to tweak my erect nipples. I reached back and found my own clit, heightening what was already an incredible sensation. Suddenly, my body stiffened and my pussy started soaking the shaft that was deep inside me, as I pushed my butt towards Jackie, whilst she bit down gently into my back and the nape of my neck.

It was a sensational orgasm, the best I'd ever had by some distance, and Jackie looked pleased for me, and with herself! I was very grateful and spent the next half an hour with my face between her legs in appreciation. She kept the strap-on around her, but allowed me just enough access to really give her clit a good going over. She still had the shirt and jacket half-on as I brought her to climax, with the rubber shaft above me, and her hair now down onto her shoulders. I know it sounds a bit strange, but I really did feel like I got the best of both worlds!

NATASHA ♣

Ms. Marley wigs out...

This is a pretty sweet 60's style get-up you've got here, Natasha, right down to the wig. Big fan of the era?

"I am, but to be honest I grabbed the wig from my wardrobe in the morning because I was having a bad hair day. Actually, a terrible hair day."

What happened?

"It's my own fault. I was up late with a girlfriend at her house, and when her husband came home, we gave him a surprise threesome. He got a bit carried away at the end and a lot of his spunk landed in my hair. It's going to take some washing, but it was worth it."

Hmm. Maybe that's why judges always wear wigs... ♣

NATASHA

What our well-placed moles are telling us this month...

DOWN THE WIRE

PULL THE UDDER ONE!

Like blokes who hobble into A & E with something embarrassing – a bottle, a lightbulb, an anaconda – wedged up their arse, claiming they 'fell on it', we're not entirely convinced by a Devon farmer's claim that he lost his iPhone up a cow's arse when he was using a torch app on it. Although as he had the temerity to launch an insurance claim, it might well not be bullshit. We're still not sure why he wants to shine a torch up a cow's arse, however, and why a farmer doesn't have a torch to hand. Other weird claims, revealed by *mobileinsurance.co.uk*, include a woman who baked her Nokia into a cake and a woman who used her Blackberry as a dildo. At last, honesty!

LAST ORDERS!

If you run a pub full of hard-drinking regulars, eventually the Grim Reaper will claim one on the premises. But how to mark the passing? A lock-in dedicated to the lost boozer? Sounds nice. Or you could just do what Jason Chidgey, landlord of Aberdare's The Boot Hotel, did when he woke and discovered 48-year-old Mark Howell in the pub loo, dead from acute alcohol poisoning – hide the body so you can open for the weekend. Chidgey and cleaner Audra Rees hid the body for four days, so that he could continue to trade from Friday to Monday. He was jailed for 15 months. You win some, you booze some...

THE THIRD REICH-OON!

Those pesky Nazis are still unavoidable some 67 years after their Reich collapsed. After all, what other history could the TV channels possibly make documentaries about? But Hermann Goering is still affecting the lives of his countrymen long after his death, in raccoon form. Back in 1934, as the chief forester, he released a breeding pair of American raccoons to give hunters something to shoot. They thrived, and are now causing havoc by breaking into houses in search of warmth and food. They number in their millions and the German Hunting Federation has accepted that they're there to stay in Germany. US spies? You read it here first.

THE LISTENING BANK!

Life is tough for stupid criminals. After all, if you've got your heart set on $20,000 when you rob a bank – the amount Arthur Bundrage, 28, of East Syracuse, New York asked for when he pilfered the Alliance Bank – then that's what you should get. The bank clerk refused to hand over any money, but soon coughed up when Bundrage threatened him. Bundrage left the bank but, upon counting the money and finding it short of the magic number, he returned to ask for the rest of it. Officers responding to the bank's alarm found Bundrage at the doors of the bank trying to get back in. Quit while you're ahead, son. ♣
